

\*Please note that the price points reflected in this survey were recorded as of THURSDAY, MARCH 19, 2026, and do not account for all subsequent price increases. An updated and more current reflection of retail fuel prices across the Territory will be presented in the next Fuel Report. It should also be noted that on FRIDAY, MARCH 20, the majority of fuel retailers on St. Croix increased their prices. The Department is actively working to publish an updated report to provide consumers with the most current retail fuel pricing across the Territory.
