**HEAVY EQUIPMENT OWNERS REMINDED OF
RESTRICTIONS RELEVANT TO LICENSE ADDRESS**

The Department of Licensing and Consumer Affairs (DLCA) reminds all heavy equipment license holders that the address at which their business has been licensed is the only location in which their heavy equipment and rentals (dump trucks, backhoes, tractors, construction equipment etc.) can be stored. The address that appears on the license is the only authorized and registered address for their business. Related commercial equipment may only be stored at this particular address. For example, if the address on the license for DLCA Heavy Equipment reads "#8201 Sub Base," this is the only location that DLCA Heavy Equipment can store its heavy equipment.

It is also a violation of the Virgin Islands licensing laws for heavy equipment business owners to store equipment at their personal home address if it is not the same address on the license. Likewise, they are also prohibited from using any other address that does not match what is documented on the license. Violators are subject to fines of up to \$500.00 for noncompliance.

For additional information, contact the Licensing Division of the Department of Licensing and Consumer Affairs on St. Croix at 773-2226 or St. Thomas at 774-3130.
